Erratum

Eq. (5) should read:

\[-\frac{1}{2} \delta V'' + (q - 2k)V + \frac{1}{2} U^2 + 2\gamma_2(V^2 + 2U^2)V = 0.\]  \hspace{1cm} (5)

That is, a factor of 2 in front of \(\gamma_2\) was missed in the original paper.
